Holiday Dates for Wildwood Park a Feature-Basketball Waterloo for Bulkeley Independents-Norwich Soccers Tie with Sterling-Mohegan Reds Open Ball

((Special to The Bulletin.) Danielson, April 7.-A session of for-ty minutes this afternoon served to clear up the schedula troubles of the Eastern Connectuet league, as the di-rectors of this baseball organization are now quite sure that they have their playing plans figured out about right. All of the directors were present except Manager J. B. Benoit of Norwich-Taftville, who was kept away on account of illness of his family. President Reeves also was unable to be present to 4.

The local soccer combination fought out a tie game, 4 goals to 4. Saturday afternoon at Sachem park with the Association football team from Sterling. The weather, although favorable for the players was the reverse from

MIGHTY FIVE WINS RUBBER. Bulkeley Invincibles Are Down and Out by Big Score-Captain Tuttle the

The Mighty Five basketball team of the local association handed the Bulkeley Invincibles a decisive beating Saturday evening at the Y. M. C. A. gym, in the rubber game of their series of three, playing rhags around the New London fellows and swamping them by teh score of 48 to 19. The Norwich five was in its best form, both as to fast work on the floor and in locating the basket, and after they had piled up a score of 28 to 5 against the Bulkeley. a score of 25 to 5 against the Bulkeley Invincibles in the first half, it was only a question of how badly the visitors would be besten in the second.

would be beaten in the second.

The Bulkeley lads were dazed by the swift game put up by the locals, who laways seemed to have a man uncovered somewhere to receive a gass and pop the leather into the basket. The game was cleanly played by both teams, but the scientific work of the Mighty Five was in striking contrast to the listless, inefficient game showed by the visitors.

For the home five, Burke started the scoring by a successful shot for a basket in two seconds from the batoff, and from then on to the end of the first half the Mighty Five kept the thots pouring through the erim like water through a sieve. It was a great night for Captain Tuttle of the Mighty Five, who made a monkey out of Han-sen, his ibg opponent, and by clever side-stepping and dodging shot in rec-ord form by enging ten baskets. Clish ord form by casing ten baskets. Clish and Dilworth were also in the limelight for the Mighty Five, and Swan, who played in the first half, put up a strong game. Wall was the only New Londoner who had his eye with him, and he succeeded in cetting four field goals and the only foul goal shot in the game. The lineups and summary.

P.C. a spectator's standpoint, being both raw and showery. Owing to the official referee being unable to turn up, The new schedule, known as the Putnam-Dayville arrangement is nearly the same as that of last year, with the opening dates reversed, and is particularly different in that it splits the holiday games at Wildwood park with Dayville between Wauregan, Putnam and North Grosvenordale in the order but was checked by Critichelq Hls resemes and losing 3 prompt Brown of Sterling kicked of to Larrow who made off up the field but was checked by Critichelq His reand North Grosvenordale in the order named. This feature was objectionable to Managers MoBroome of Jewett City and Farrell of Wauregan, and they voted negatively.

Forfeit Up by Next Friday.

The only other business transacted was a voted agreement that each team must post its forfeit money to play the season out by Friday next with the league treasurer, Leon T. Wilson of Dutmam.

The matter of official scorers for each The matter of official scorers for each team was also discussed, and it was tagain took up the running and a nice team was also discussed, and it was decided that each manager should name one for the coming season. The meeting adjourned until Eunday, the 18th, in Danielson, that to be the last meeting before the opening of the season.

The matter of omicial scores for each tags. From the center the whites tagain took up the running and a nice bit of combination between Brown and the right wingers brought the ball within range of the Sterling custodian, who promptly put his team one ahead. From then till the interval the Norwich team kept the visitors pen-

ahead. From then till the interval the Norwich team kept the visitors penned on their own quarters, but Kennely, the Sterling custodian, was in sterling form, and refused to allow any more goals. Half-time, Norwich two goals, Sterling one.

On the re-start the Whites once more got going but met with a much firmer resistance than in the first half. Cordena, the powerful left back of the visitors, showing up in fine form. Time and again his strong kicking relieved the pressure. Buckley and McComb on the left initiated a move towards Kennedy, which was spoiled by McGovern coming in violent contact with ern coming in violent contact with Buckley, who sustained a severe wrench, in consequence of which he was obliged to retire and the home

Swanson for Sterling tied the score but Hilton's run after the ball hit his face put Norwich once more in the lead, 3 goals to 2. Next week the Norwich management will give the public their last opportunity to witness an Association game here this season, when they will have the famous Lorraines of Westerly as their visitors. It will be recollected that this was the only team which made the "Roses" shed their petals last year, and as the Roses have again an unbeaten record this year, it is to be hoped that this time they will turn the tables. The game will most certainly be strongly contested and will make an attractive Easter offering.
